Graphic details:

Name(s) of graphic(s) to be created as a TrueType font:

Graphic Name(s): _____

Font file name:

Select a name for your new graphic(s) (e.g., *ACME_Widget, MyIcons, ServiceImages, etc.*):

Graphic Font Name: _____

Number of colors used in graphic(s):

Choose 1-color or multi-color, based on your original artwork. If multi-color, each color layer is assigned to a separate character, allowing your complete graphic(s) to appear when typed. **Note:** All colors are rendered as solid fills -- gradients or shaded effects cannot be replicated in a TrueType font.

1 Color Multi-Color Number of colors

Pricing:

Custom font creation costs depend on:

Artwork complexity: graphics, text, colors, details

Artwork quality: high-resolution, vector, or print-ready files reduce production time and cost

Source material: whether you provide artwork or require us to create it from written specifications

\$ _____ (*if an estimate has already been provided*)
